Objectives

The aim of this program is to help our students achieve their academic goals through tutoring and mentorship, and to see them excel in both the classroom and real world,
انشأ الله.

Parameters for mentoring and Tutoring (Tentative)

- The focus : Students' academic & school to career path
- Mentors and tutors recruitment: IFN community members
- Parents involvement: Is a must
- Venue : IFN, and public libraries
- Duration and frequency: As needed
- Key stakeholders: Parents, students, and mentors/ tutors
- Evaluation:
 - Mentoring: Feedback from mentors and mentees
 - Tutoring: Monitoring students progress

Sustaining & Managing of the Program

- IFN will develop policies and procedures to support the program and identify a management team to ensure clear roles
 - Implement protocols to ensure structured communication with mentors and mentees
 - Parents involvement
 - Implement ongoing trainings
 - Continuously evaluate the program and adjust as needed

Additional Activities:

- Shadowing programs
- College visits
- Help with Financial Aid applications

These are all preliminary and tentative ideas, we welcome any suggestions. We can only achieve these goals with active involvement of the IFN community.

I pray to Allah (SWT) to guide us to the right path in pursuing this program.
