

In an effort to constantly improve the services at Islamic Foundation North (IFN), members/attendees of the masjid are encouraged to provide feedback on all services.

The Executive Committee strives to select Khateeb for the Jumu'ah prayers at IFN and also provide a balanced sermon (khutbah) to the members of the community within the guidelines of the IFN by-laws.

The objectives include but are not limited to:

- Providing guidelines/suggestions to the Khateeb that reflect IFN.
- Define topical and important themes that could be focused on and select speakers based on these areas of focus.
- Select Khateeb (primarily within the IFN community), but also allow for one week for a khateeb from a neighboring masjid or community.
- Handle last-minute changes and communicate the changes as soon as possible when feasible.
