

## **IFN SMOKE AND VAPE FREE POLICY**

### **Responsibility**

All individuals within the IFN property/premises.

### **Purpose**

- To provide a safe and healthy environment for community members and their families, free from exposure to secondhand tobacco smoke and vapors emitted by electronic smoking devices.
- To provide leadership in promoting a holistic view of health by supporting smoke-free environments.
- To support community members and their families, with their cessation efforts in becoming free from tobacco use and nicotine dependency.

### **Policy**

IFN commits to becoming a smoke-free facility. Smoking, including the use of electronic smoking devices, hookahs, and marijuana, shall not be permitted in any IFN facilities, indoors or outdoors.

Smoking shall not be permitted in any part of the masjid building, facilities, or vehicles, or on playgrounds, including lawn areas and parking lots.

### **Implementation**

- “No smoking” signs will be posted in highly visible areas inside and outside of the masjid, parking lots, playground and lawn areas.
- Announcements will be made in Jumma and the policy will also be published in the IFN newsletters to ensure that everyone knows and understands the policy.
- Education/Awareness programs and activities will be conducted at IFN.

### **Enforcement**

IFN Executive Committee, Complaints regarding violations of this policy should be forwarded to the IFN Executive Committee.
