

## Lesson 5

### Pre-Quiz

- 1) There are people of other faiths who state that the Earth is 6,000 years old based upon their scripture. What does Islam say?
  
- 2) Was knowing one’s lineage important to the Arabs? Provide examples. Why was it important to them?
  
- 3) What does “honorable lineage” mean? Provide 5 explanations
  
- 4) Respond to the following comment. “Having a noble lineage is overrated. Islam only cares about what’s in your heart. Lineage doesn’t matter”
  
- 5) What is nepotism? What is the Arabic word for nepotism? Are there examples of nepotism in the US government? What did the Prophet (upon him be peace) say about nepotism?

Question to think about before our next class.

Why was the last Prophet ﷺ sent amongst the Arabs? Why didn’t Allah send a Prophet from amongst the Jews, Christians, Romans or Persians?

6) List and describe each of the ancestors of the Prophet ﷺ
